Safe

- Seals All Cuts
- Prevents Water Penetration
- E-Z Sponge Applicator
- Convenient Size

DECKCUTS™ is a revolutionary CLEAR coating and applicator for the exposed ends of decking. Protects, helps prevent water penetration and improves the durability of your deck.

It's as simple as **Swipe, Seal & Done.**

DECKCUTS™ seals & protects the end cuts of your decking from water penetration. It is recommended for all types of lumber. DECKCUTS™ is an oil-based, zero V.O.C. green product in keeping with our commitment to the environment.

Available in 4 oz. easy-to-use applicators (16 bottles per case)
