

Swipe. Seal. Done.™

# END CUTS™

INTRODUCING

PRESERVE YOUR WOOD & YOUR WARRANTY\*

*Environmentally  
Friendly*

- Seals All Cuts
- E-Z Sponge Applicator
- Interior & Exterior Use
- Convenient Size

ENDCUTS™ is a revolutionary coating and applicator intended to be applied to the cut ends of pre-primed exterior and interior lumber and siding.

**It's as simple as Swipe, Seal & Done.**

ENDCUTS™ seals & protects the end cuts of siding and trim from water penetration. It is recommended for all types of lumber to ensure your warranties are not voided, which are typically dependent on sealing the cut ends of lumber\*. ENDCUTS™ is a water-based green product in keeping with our commitment to the environment.

Available in 4 oz. easy-to-use applicators (16 bottles per case)
