Cortex[®]
Hidden Fastening System

FOR *Gossen*[®] DECKING

Ready. Set. Plug.

The *Cortex Hidden Fastening System for Gossen* is the simplest, most powerful method to get the look of hidden fasteners on your Gossen deck. By face screwing, you get the best board-to-joist connection. With the Cortex Plug for Gossen, you get a perfect match. Simply set the screw and set the plug, and you're all set! All you see is a beautiful deck.
