

**GOSSSEN CORPORATION**  
**HOME EXTERIOR MOULDING AND MILLWORK**  
**LIMITED LIFETIME WARRANTY**

**LIMITED LIFETIME WARRANTY COVERAGE.** Gossen Corporation (“**Gossen**”) warrants the following exterior moulding and millwork lines: PURE™ Exterior PVC Millwork and Gossen Exterior PVC Moulding (collectively, the “**Product**”) against cracking, peeling, flaking, rotting, blistering, delamination, or fading, not in accordance with stability and weatherability standards described in ASTM D4726 (or a similar industry standard). Should any of the foregoing defects occur while the original purchaser retains ownership of the property where the Product was initially installed, Gossen will, at its exclusive option, provide a replacement Product for the Product determined to be defective or return the purchase price of the defective Product. Gossen is not responsible for the cost of any materials other than the applicable replacement Product. Color variation is not a defect and is not covered by this Limited Warranty. Color variation occurs naturally in the manufacturing process and, as with natural lumber, should be expected. Labor costs incurred in removing defective Product or installing the replacement Product are not covered by this Limited Warranty. This Limited Warranty is not transferable to any other person or entity.

The original purchaser must submit any claim for a defect covered under this Limited Warranty in writing, promptly after discovery of the defect. The claim must include a detailed description of the defect, a photograph of the defect and proof of purchase of the Product. Gossen shall have thirty (30) days to inspect the Product or require the original purchaser to send the Product to Gossen. Failure of the original purchaser to notify Gossen as provided in this Limited Warranty shall extinguish all liability of Gossen under this Limited Warranty. Failure of the original purchaser to cooperate in Gossen’s investigation of a claim shall immediately terminate Gossen’s obligations under this Limited Warranty.

Replacement Product may vary slightly in color, gloss or design from the original Product. Gossen shall not be liable as a result of the variance. Gossen reserves the right to discontinue or change the Product line, type, color, gloss, or design without notice. If the original line, type, color, gloss, or design of Product covered by this Limited Warranty is not available, Gossen will substitute a Product that, in Gossen’s sole discretion, is of equal value and quality.

**LIMITATIONS.** This Limited Warranty is void if any of the following occurs and affects the Product: (i) abuse, misuse or improper storage, installation, application, or maintenance of the Product; (ii) casualty or act of God; (iii) failure to use the Product in accordance with Gossen’s specifications, standard building practices, or applicable building codes; (iv) movement, settling or collapse of the ground or supporting structure on which the Product is installed; (v) improper application of paint not recommended by Gossen; (vi) staining or discoloration due to foreign substances not approved for use by Gossen; (vii) environmental conditions (including, without limitation, air pollution, mold, and mildew); (viii) improper handling, and/or shipment of the Product; (ix) neglect, abuse, misuse or upkeep and maintenance not in accordance with Gossen’s recommended maintenance found in Gossen’s Exterior Trim and Mouldings Tips and Techniques and on Gossen’s website [www.gossencorp.com](http://www.gossencorp.com); (x) the Product is painted with any color that falls within the “L” values of 56 to 0 (“L” is a measure of the lightness of an object and ranges from 100 (white) to 0 (black)); or (xi) any other factor that is beyond the control of Gossen. Determination of the suitability and safety of any particular use or application of the Product is solely the responsibility of original purchaser, and original purchaser is responsible for consulting local building and safety codes for specific requirements. Gossen shall not be responsible for any damage to any building or supporting structure, exterior or interior, or any property contained therein, or for injuries or damages of any kind. Removal, reinstallation or disposal of any Product, or any costs associated therewith, including labor, freight, or taxes, are the responsibility of purchaser.

**THIS LIMITED WARRANTY IS EXCLUSIVE. GOSSSEN MAKES NO OTHER WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. GOSSSEN NEITHER ASSUMES, NOR AUTHORIZES ANY OTHER PERSON (INCLUDING ANY EMPLOYEE, REPRESENTATIVE, AGENT, DISTRIBUTOR,**

**BUILDER OR INSTALLER), TO ASSUME, ANY OTHER OBLIGATION OR LIABILITY OR TO MAKE ANY ADDITIONAL WARRANTY IN CONNECTION WITH THE SALE, INSTALLATION OR USE OF THE PRODUCT. GOSSEN SHALL NOT BE LIABLE FOR SPECIAL, INCIDENTAL, DIRECT, PUNITIVE, OR CONSEQUENTIAL DAMAGES. THE EXCLUSIVE REMEDY UNDER THIS LIMITED WARRANTY IS LIMITED TO THE EXPRESS REMEDY SET FORTH ABOVE. NO WAIVER, ALTERATION, ADDITION OR MODIFICATION OF THIS LIMITED WARRANTY SHALL BE VALID, UNLESS MADE IN WRITING AND SIGNED BY AN OFFICER OF GOSSEN.**

Some states do not allow the exclusion of or limitation of special, incidental or consequential damages, so the above limitation may not apply. This Limited Warranty gives the original purchaser specific legal rights, and the original purchaser may also have other rights, which vary from state to state.
